

Welcome to Spring Dental, We look forward to meeting you and caring for your dental health.

Your first appointment at our practice will be scheduled for one hour. This one-hour appointment allows the dentist to familiarise themselves with their patient and to discuss treatment or any concerns that you may have. In that time the dentist will take a 3d scan, x-rays & photos. Please note a clean is not included in this appointment.

As most dental practices do not structure their appointments this way, we would appreciate that you advise us at least 48 hours prior to your appointment if you need to change or cancel your appointment to avoid a cancellation fee. We will be personally calling you a week prior to your visit to confirm your appointment.

In order to assist the dentist it would be appreciated if you complete the new patient form and post, email or fax back as soon as possible.

Please aim to arrive for your appointment 5 minutes earlier than your scheduled appointment so that the necessary paperwork can be organised.

We strive to give each patient the best quality dental care in every possible respect.

We look forward to seeing you for your appointment.

Kind Regards,

The team at spring dental
